First Annual ‘One Table’ Event Honors Tampa’s First Responders
A Community Thanksgiving Hosted By Diamond View

TAMPA, FL, Nov, 2019 - City of Tampa, Hillsborough County and Florida Government first responders all gathered, last night, at the Tampa Convention Center to attend the first annual ‘One Table’ event hosted by Diamond View; a community Thanksgiving to honor our local heroes.

“First responders are the heroes of our community,” said Tim Moore, CEO Diamond View. “While they serve us everyday, we wanted to take one day out of the year where the community can serve them.”

Several community members who helped to serve the first responders also shared their personal heartfelt experiences they had with the men and women who protect and serve our great city.

“Being able to personally thank our first responders at One Table was an opportunity I'm so grateful for,” said Jeff Gigante, Co-Founder of Forbici Modern Italian and Ciccio Restaurant Group.

One Table was attended by over one hundred local first responders, eighty community volunteers, and twelve sponsors.

One Table was sponsored by the following community organizations: Caspers Company, Coca-cola Florida, USAA, Forbici Modern Italian, Tampa Bay EDC, Hillsborough Community College, Traditions Rentals, Joyful Events, Creekside Church, Tampa Foundation, the City of Tampa, and the Tampa Convention Center.

“It’s wonderful seeing people from all walks of life come together to show their gratitude for our first responders,” said Mayor Jane Castor. “None of this would be possible without the dedication of our citizens and generosity of our local business owners.”

About Diamond View
